

Mary Jane's People Accessibility Statement

Last updated 3/10/2023

Mary Jane's People is committed to providing a website accessible to the widest audience, regardless of circumstance and ability. We aim to adhere as closely as possible to the Web Content Accessibility Guidelines (WCAG 2.0, Level AA), published by the World Wide Web Consortium (W3C). These guidelines explain how to make Web content more accessible for people with disabilities. Conformance with these guidelines will help make the web more user-friendly to everyone. Mary Jane's People strives to adhere to accessibility guidelines and standards and continuously works to ensure we provide full accessibility. Be aware that due to the dynamic nature of the website, minor issues may occasionally occur as it is updated regularly. We are continually seeking solutions that will bring all areas of the site up to the same level of overall web accessibility.

If you have any comments or suggestions relating to improving the accessibility of our site, please don't hesitate to contact our team at hi@maryjanespeople.com. Your feedback will help us as we continuously improve.
